Sub: "Balua Rasullapur Road via Sreerampur from 0.00 Kmp to 13.60 Km, Widening and Strengthening work under Nadia Highway Division II in the District of Nadia (2nd Call)."

Ref: Tender No-55 of 2018-2019 of the S.E/EHC, P.W. (Roads) Directorate.

Dear Sir,

In reference to your aforesaid letter and subsequent negotiations regarding execution of the above mentioned works of shifting of electrical utilities with material on back to back basis and as per the approved estimates of WBSEDCL, with discount of 10.00% (Ten point zero zero percent), excluding all taxes & duties is hereby accepted from this end.

The work shall be carried out under the Supervision of Executive Engineer, Nadia Highway Division No- II, P.W. (Roads) Directorate and Concerned D.E of WBSEDCL.

You are requested to proceed with the work immediately in consultation with the Executive Engineer, Nadia Highway Division No- II, P.W. (Roads) Directorate & Divisional Manager, WBSEDCL and submit a programme of work schedule in details, after actual assessment, to the respective Divisional Engineer, WBSEDCL, well in advance to facilitate him for arranging proper supervision of job by WBSEDCL'S authorized Engineer. The execution of shifting work shall have to be done as per WBSEDCL'S specification and drawing, duly approved.

- 1) All materials / equipments to be utilized in the erection job need to be procured by yourself from the approved vendors of WBSEDCL and to be got approved by the concerned Divisional Manager with submission of Test Certificates.
- 2) Rail poles need be procedure by you directly from WBSEDCL'S approved vendor and the same should be as per WBSEDCL'S approved vendor and the same should be as per WBSEDCL'S specification and subject to standard test to be carried out by WBSEDCL'S Engineer at standard cost as is now being realized from other Govt. organization where similar clearance has been given. PCC poles will be supplied by WBSEDCL, cost of which will be deducted from your bill.
- 3) Only Distribution Transformers required to be released from the above shifting work, will be returned to WBSEDCL store. Thereafter, through technical evaluation of these Distribution Transformers, considering the present condition, deprecation as per prevailing rules, refunding the cost of old Distribution Transformers, if applicable, will be intimated to P.W (Roads) office by the concerned Divisional Manager. Other released materials will have to be returned to the concerned P.W (Roads) office with Store Return Note (SRN).
