Sub : Rehabilitation and Upgradation to 2- lane with paved shoulder configuration of Nandakumar - Contai - Digha- Chandaneswar - road from 0.00 to 25.50 & from km 41.00 to km 64.70 of NH- 116B- WB- 2016-17/409- Shifting of obstructing utilities of WBSEDCL.

Dear Sir,

In reference to your aforesaid letter and subsequent negotiations regarding execution of the above mentioned works of shifting of electrical utilities with material on back to back basis and as per the approved estimates of WBSEDCL (Rs 21.80 Crore) with discount of 5.25% (Five point two five percent), excluding all taxes & duties is hereby accepted from this end.

The work shall be carried out under the Supervision of Executive Engineer, P.W (Roads), NH Division - II and Concerned DE of WBSEDCL.

You are requested to proceed with the work immediately in consultation with the Executive Engineer, P.W (Roads), NH Division - II & Divisional Manager, WBSEDCL and submit a programmer of work schedule in details, after actual assessment, to the respective Divisional Engineer, WBSEDCL, well in advance to facilitate him for arranging proper supervision of the job by WBSEDCL's authorized Engineer. The execution of shifting work shall have to be done as per WBSEDCL's specification and drawings, duly approved.

- 1) All materials / equipments to be utilised in the erection job need to be procured by yourself from the approved vendors of WBSEDCL and to be got approved by the concerned Divisional Manager with submission of Test Certificates.

- 2) Rail poles need be procedure by you directly from WBSEDCL's approved vendor and the same should be as per WBSEDCL's specification and subject to standard test to be carried out by WBSEDCL's Engineer at standard cost as is now being realized from other Govt. organization where similar clearance has been given. PCC poles will be supplied by WBCEDCL, cost of which will be deducted from your bill.
- 3) Only Distribution Transformers required to be released from the above shifting work, will be returned to WBSEDCL store. Thereafter, through technical evaluation of these Distribution Transformers, considering the present condition, depreciation as per prevailing rules, refunding the cost of old Distribution Transformers, if applicable, will be intimated to P.W (Roads) office by the concerned Divisional Manager. Other released materials will have to be returned to the concerned P.W (Roads) office with Store Return Note (SRN).
- 4) After completion of entire work, new installation need be handed over to the respective site Engineers of WBSEDCL along with survey report and as built drawings, list of consumed materials and schedule of new and dismantling work, list of released / returnable material / equipments in respect of actual executed work.
- 5) **Payment Terms & Condition :**

Payment shall be made within 7 days from the date of receipt of cheque amount from the Department after deduction as hereunder:

- a) 5.25 % Discount / our share.
 - b) G S T As applicable
 - c) 2.0% I.T
 - d) Any applicable duties, taxes, royalty fees that may be levied time to time in accordance with the laws and regulation of the land.
- 6) Nothing in this agreement shall relieve your responsibility to pay any tax that may be levied during course of the contract.
 - 7) The order issued by Superintending Engineer vide memo no 1097/NH-116B/W-308 dt 19/05/2017 along with cost estimate of WBSEDCL, DRAWING & OTHER Terms and conditions are enclosed herewith which will be part of this agreement/ order & shall be followed strictly.
 - 8) The completion period for this order is 165 days from the date of issue of this order.

Thanking you
Yours Faithfully
